Attachment(s): [Envision the Possibilities Announcement 12-5-08rev.doc](#)

Information regarding Envision the Possibilities: Assistive Technology (AT) and Autism Spectrum Disorders (ASD) special event.

- Miami-Dade Assistive Technology Awareness Partners, Inc. (M-DATAP), in association with Blink Twice, Inc., will present a special Assistive Technology Awareness event on Friday, December 5, 2008, at Signature Gardens, 12725 S.W. 122nd Avenue in Miami from 9:00 a.m. – 3:00 p.m. Additional information regarding the event is set forth in the attached flier.
 - The event will feature Pati King-DeBaun, a noted expert in the field of communication. Teachers, professionals, families and community members interested in learning more about assistive technology for individuals with ASD are encouraged to attend.
 - Please note, participants must register to attend. Registration fees through Friday, November 7, 2008, total \$35.00 per person. After November 7, the per person registration fee will be \$45.00.
 - Participants should register as soon as possible in light of limited capacity.
